#### **Review and Action: Informal Fact-Finding Conference:**

• **Emad Alhusaini and Signature Auto Sale.** On March 29, 2006, an informal fact-finding conference was conducted to address the alleged violations of VA Code Sections 46.2-1529 (Failure to maintain all dealer records on the premises of the licensed location), 46.2-1542 (Failure to deliver to DMV by the expiration of the first temporary certificate all necessary and required applications and fees) and 46.2-1575(2) (Failure to comply subsequent to receipt of a written warning from the Department or the Board). Based on the information provided at the conference, the hearing officer recommended that a follow-up inspection be made to ensure all rules and regulations are being followed, the authority to issue temporary license plates by Signature Auto Sale be suspended for a period of ninety days, and will only be reinstated upon passing the follow-up inspection and a civil penalty of \$500 be assessed against Emad Alhusaini and Signature Auto Sale. It was noted that the Board does not have the authority to suspend license plate privileges. This authority belongs to DMV. DMV Commissioner Smit stated that DV would investigate further.

Motion was made by David Lacy to modify the hearing officer's recommendation and assess a \$3,000 civil penalty (\$1,000 per violation) and to successfully complete the Dealer Operator course within a 6 month period. Thomas Moorehead seconded. Rationale for modifying the hearing officer's recommendation was that the violations were serious and on-going. The motion carried unanimously.

• Wayne Taber and Autostar Enterprises. On May 24, 2006, an informal fact-finding conference was conducted to address the alleged violations of VA Code Sections 46.2-1548 (Failure to keep a written record of dealer license plates and have them available for inspection), 46.2-1550 (Failure to properly limit the use of dealer license plates on vehicles in the dealer's inventory to dealers, their spouses, licensed salespersons and employees of the dealership) and 46.2-1575(12) (Leasing, renting, lending or otherwise allowing use of a dealer's license plate by persons not specifically authorized under this title). Based on the information provided at the conference, the hearing officer recommended that for the violation of §46.2-1548, a civil penalty of \$200 be assessed and for the violation of §846.2-1550 and 1575(12), a civil penalty of \$500 be assessed for a total civil penalty of \$700.00 against Wayne Taber and Autostar Enterprises.

Motion was made by Kevin Reilly to partially modify the hearing officer's recommendation and assess a \$2,200 civil penalty (keep the \$200 for the violation of §46.2-1548 and \$2,000 for §§46.2-1550 and 1575[12]). Mr. Reilly indicated that the violations were egregious and done willfully in that the dealer should know that he may not rent tags and the maximum civil penalty should be assessed. Jonathan Blank seconded. The motion carried unanimously.

#### **Review and Action: Formal Hearing:**

• Navraj Gupta and Fredericksburg Public Auto Auction. On January 9, 2006, an informal fact-finding conference was conducted to address the alleged violations of VA Code 46.2-1575(9) (Having been convicted of any criminal act involving the business of selling vehicles) and 46.2-1575(13) (Having been convicted of a felony). Based on the information provided at the conference, the hearing officer recommended that Mr. Gupta's dealer license be revoked. Mr. Gupta appealed this decision on April 3, 2006. On May 25, 2006, a formal hearing was conducted and based on the information provided at the hearing, the hearing officer recommended that Mr. Gupta's dealer license be revoked. Also, the hearing officer noted that on April 19, 2006, an application was submitted changing the business name from Auto City Inc. (Corporate name for Fredericksburg Public Auto Auction) to Super Wheels, Inc. with Sumiti Bala Gupta noted as the Dealer-Operator. He recommends that a close watch be placed on this dealership as a means to protect the public's interest, because of Mr. Gupta's involvement in this business. If not already done, the hearing officer recommends that Sumiti Bala Gupta be required to attend the Dealer-Operator Certification Course.

Mr. Gupta was present on his own behalf and available to answer questions from the Committee. General discussion followed.

Motion was made by Frank Pohanka to modify the hearing officer's recommendation to revoke all of Mr. Gupta's licenses, not just the dealer's license. David Lacy seconded. The motion carried unanimously.

- **2007 Legislative Concepts:** Bruce indicated that it is time again for agenda items for the upcoming 2007 Legislation Session. Should any member have any recommendations, please contact him.
- **Dealer Tags for Personal Use.** Lynn Hooper indicated that a dealer was stopped by a state trooper and was ticketed for using a dealer tag for personal use. There was general discussion concerning how vague the law was on this issue. One suggestion was that legislation be created to clarify the usage of the dealer tag. Eric Fiske suggested that the Committee wait until the court date of the ticket to see what the judge says. Consensus of the Committee is to wait until the September meeting to discuss this issue further.
- Report on Variance Requests (Dealer Hours and Storage of Dealer Records). Bruce Gould reported that there were 8 variances for records and 2 two for on-line. All had good standings with Board, so all were approved.

#### **Review and Action: Informal Fact-Finding Conference Results:**

There were no claims for the July Board Meeting.

- **2007 Legislative Concepts:** Bruce Gould extended the invitation to the Committee members for suggestions for agenda items for the 2007 Legislation Session.
- Attending Judgment Hearings and Caps on Attorney Fees Legislation Suggestion: David Lacy indicated that at the last Committee meeting someone suggested that a representative of the Board should be in attendance in the judgment hearings. Mike Charapp, representing VADA, suggested that legislation be introduced to change the statute to provide that if there is a default judgment or a consent judgment that the Board could request to reopen the matter or challenge the award. While the Board has the authority to intervene in court, it is rare that they do. Eric Fiske indicated that each claim is carefully reviewed to determine if the Board has reason to intervene. Jonathan Blank questioned whether or not attorney fees can be challenged. Eric Fiske indicated that it's very difficult, particularly in Federal Court, to win those challenges. Eric suggested that the Board seek legislative approval to require claimants to make a good faith effort to collect from the debtor before filing a claim with the Board. This is similar to the two other Recovery Funds. Bruce Gould indicated that he was going to discuss two legislative concepts. One being to put a cap on attorney fees and the other is when the Fund reaches a certain amount, which has not been determined, and anything over that amount would be placed into the Board's special operating fund. It was the consensus of the Committee to hold a special Transaction Recovery Fund meeting to discuss various legislative options.
